Zoom Information

Dear Parents,

If you are the parent of a Pre-K to 6th grade student, you will have received a Zoom invite from your student's teacher. This invite is to allow our teachers to Zoom with your student in case of a long-term school closure related to COVID-19 or other. We are utilizing parent emails as we want to have parental engagement with combined oversight of our younger students. With the younger grades, Zoom will require that parental engagement to help adjust and provide comfort to students who are unfamiliar with this type of learning. We are asking that if you have any questions or concerns, to direct those to the office.

If you are the parent of a 7th to 12th grade student, your student is provided with a school-defined email account. This will allow them to engage via Zoom or Google classrooms with their teachers easier. This will be utilized as well with a long-term school closure related to COVID-19 or other. If you to have any questions or concerns, please let the office know.

We appreciate your support in this matter. We look forward to having a great 2020-2021 school year. God bless.

Sincerely,

Joshua Burton
