Dear Parents,

For 2020-2021 school year, HCS will be experiencing some changes in regards to schooling as all schools have been impacted by COVID-19. We will be continuing to release information throughout the summer in preparation for the upcoming year. However, here is a list of things to consider for students as they return to school:

- 1) Make sure your students are informed about proper handwashing techniques.
- 2) Discuss the importance of avoiding unnecessary physical contact with other students and staff.
- 3) Make sure younger students know how to properly open lunchboxes and containers to access food and drinks.
 - a. For example, Capri-Suns can be hard to properly access, so reviewing how to use would be beneficial.
- 4) Downloading a web-meeting platform, specifically Zoom, in preparation for any remote learning that may need to take place.
- 5) Reviewing student handbook for any additional information.

Sincerely,
